राष्ट्रीय युवा दिवस

1999 में, संयुक्त राष्ट्र ने हर साल 12 जनवरी को अंतर्राष्ट्रीय युवा दिवस मनाने का फैसला किया। यह संयुक्त राष्ट्र महासभा में लिस्बन में युवाओं के लिए जिम्मेदार मंत्रियों के विश्व सम्मेलन द्वारा की गई सिफारिश पर आधारित था। युवा दिवस विभिन्न जागरूकता अभियानों, सामुदायिक समारोहों और कार्यक्रमों के माध्यम से मनाया जाता है ताकि सामाजिक-आर्थिक और सामाजिक-राजनीतिक मुद्दों पर ध्यान दिया जा सके, जिनका सामना हर देश में युवा करते हैं।

**The greatest religion is to
be true to your own nature.
Have faith in yourselves**

SWAMI VIVEKANANDA

life lessons by Swami Vivekananda on his birth anniversary

- You cannot believe in God until you believe in yourself. ...
- Arise! ...
- You have to grow from the inside out. ...
- "In a conflict between the heart and the brain, follow your heart." ...
- "They alone live, who live for others." ...
- "Neither seek nor avoid, take what comes.

The Man and His Message To
The people !

Childhood and Early Youth...

- Narendranath was highly inquisitive and bright in his studies and play. He was well read and had a remarkable power of understanding and retention. He completed Bachelor Arts degree from Scottish Church College, Calcutta in 1884.
- He was a great thinker and often challenged existing customs and rituals. He often wondered about this world and its Creator.
- He extensively studied different religious and philosophical systems of East and West.
- However, no one could satisfy his curiosity and he developed a feeling that the whole talk of God was a myth.
